

Management challenges in MS: **immunology**

We welcome the submission of posters for presentation at the *triMS.online* event on 13 February 2020 entitled '**Management challenges in MS: immunology**'.

This free event will be filmed and streamed from London, UK, to a global audience. Content can be accessed by registrants during and after the event.

The poster submission deadline is **22:00 GMT on Friday 17 January 2020**.

Topics for poster submission

Posters on the topics below will be considered for acceptance. When you submit your poster, please select the most appropriate topic.

1. Lymphopenia: interpretation and management in MS
2. Neurofilament monitoring in the management of MS
3. Memory B cells as a therapeutic target in MS
4. Immune reconstitution therapies: a new target paradigm
5. Plasma cells as a therapeutic target in MS
6. Vaccinations in MS
7. Pharmacovigilance in the modern era
8. MS and opportunistic infections in the current treatment era

Poster submission guidance

- Posters should be submitted by completing the poster submissions form and emailing it, **along with your poster**, to submissions@trimsonlineconference.com.
- Posters must be submitted in UK English.
- Posters must be submitted as PDF files.
- The poster submission form must also be submitted as a PDF file.

Authors

There is a limit of 10 authors per poster.

Please note, no corrections or alterations can be made after the poster deadline.

Authors will be notified by email during the **last week of January 2020** whether or not the poster has been accepted.

The corresponding author is responsible for informing the co-authors about the status of the poster. Please ensure that the corresponding author's email address, as well as full name, are correct.

Questions?

If you have any questions, please contact the team at submissions@trimsonlineconference.com.
