

**David Wilkins, Chief Strategy Office, HealthcareSource**

David is responsible for HealthcareSource product and solution strategy with oversight of the multiyear roadmap, related market research and new product innovation. He has more than 20 years of experience in talent management leadership roles. Previously, David co-founded the Oracle Sales Academy, a sales enablement organization serving Oracle's global sales team. Prior to Oracle, David was head of Taleo Research where he researched key topics related to strategic talent management. David has also served as VP of Product Marketing for Learn.com and as chief strategy officer for Knowledge Impact, where he spearheaded OEM relationships with PeopleSoft, Clarify and Witness Systems.

David has been a thought leader in the field of human capital management across a variety of critical subjects, including learning theory, social enterprise practices, and strategic talent management. He has contributed to major national and regional events, including chairing the HR Metrics Conference, keynoting the Training Conference and ATD Chapter Leaders Conference, and headlining TriState ASHHRA, MSHHRA, VaSHHRA, and the annual ACHCA Convocation. In addition to his extensive speaking experience, David has written dozens of magazine articles for industry publications, including *McKnight's Senior Living*, AHA Health Forum, Healthcare Dive, Hospitals & Health Networks, and Becker's Hospital Review, among others. He received a Bachelor of Arts from the University of New Hampshire.
